

TORO

Count on it.

MB-1600 Mud Buggy™

Concrete & Masonry Equipment

Powerful & Maneuverable Material Handling

The popular Toro® Mud Buggy™ brings power, versatility, and productivity to any job site - use it to transport and pour wet concrete, haul materials, clean up job sites, and much more. Its compact size and maneuverability make it easy to dump material in tough to reach areas. And, hauling up to 2,500 lbs of material is a breeze with the patented ride-on operator platform, dual-action dump pedal, and easy-to-use speed controls mounted to the handle.

FEATURES

DESIGNED FOR COMFORT & CONTROL

- Handlebar mounted forward and reverse speed controls are comfortably located and easy to use
- Dual-action dump pedal means there's no need to remove hands from handlebars to discharge material
- Fully hydraulic dump system makes unloading smooth and effortless
- Patented oversized brake pedal is easy to locate and use for safer operation

- Patented ride-on operator platform provides more maneuverability in tight places and can be locked upright for walk-behind use

EXTRAS ARE STANDARD

- Foam-filled tires keep you running on tough terrain and decrease downtime
- Patented quick-disconnect tires quickly remove for easy doorway or fence access
- Contoured tub design includes back splash to prevent concrete from spilling

BUILT FOR SERVICEABILITY

- Engine cover can be removed without tools to provide easy service access
- Heavy-duty polyethylene tub is easy to clean
- Tub is mounted to the frame with six easy-to-remove elevator bolts to make changing out the tub fast and easy
- Four-way forklift brackets and lift points are built in for portability

MB-1600 Mud Buggy

Patented Quick-Disconnect Tires

Patented quick-disconnect system allows you to quickly remove tires to fit through doorways.

MB-1600 Mud Buggy™

Powerful & Maneuverable Material Handling

Powerful

Easily transport up to 2,500 lbs. loads and discharge smoothly with fully hydraulic dump system.

Maneuverable

Pour concrete in tough to reach areas and remote job sites to easily get your job done.

Versatile

Ride-on or walk behind the same machine with the fold-up lockable platform. All operating controls are in easy reach, including a full step-on brake and dual-action lift pedal.
